

Schön, Oliver

Dr. Oliver Schön became a member of a patent infringement chamber of the Munich Regional Court in 2008. Since that, he is continuously working in the field of patent law. From 2010 to 2012 he was seconded to the Federal Patent Court. During this secondment he was a member of a technical appeal panel and responsible for an EU project with the Turkish Patent Institute.

Dr. Schön is a lecturer at the University of Augsburg since 2009 for Japanese law. He is a frequent speaker on international conferences on intellectual property.
